Unique Home Stays... Extraordinary houses... Simply the best hospitality

PRESS RELEASE

COASTAL ESCAPES: I want to be beside the sea

Escape to a **Unique Home Stay** and kick-off your city boots to dig your toes into the golden sands of the UK seaside.

Having shrugged-off its backwater image of yesteryear, the West Country is now *the* place to head for wild sweeping beaches, cutting-edge water sports and views to die for. And what of the twee B&B and its former image? It's no longer a case of paisley bed-spreads, net curtains and greasy fry-ups to start the day – now you can expect contemporary interiors and an air of chic coastal living.

Which is why Unique Home Stays has hand-picked a selection of the best coastal accommodation to choose from. The perfect alternative to run-of-the-mill hotels, our private home stays offer unrivalled sea views, luxurious creature comforts, gourmet dining and intimate hospitality under the wing of local hosts. Forget your average breakfast buffet; here you will wake-up to a tailor-made feast of the finest local fare, the aroma of fresh coffee and the sound of the waves.

If you want to get active in the great outdoors your local hosts will organise land- and sea- based activities to the pace of your desire, or don your walking boots and explore the stunning coastal and country scenery. If your feet are firmly dug in the sand, or in the plush carpet that begs for your bare-foot appreciation, then stay and be pampered with the likes of in-house massages, yoga and reiki treatments.

You can't predict the British weather, but safe in the knowledge that the West Country basks in the warmest climate and wildest coastline in the UK, you can predict that anytime is a good time for mini-break to the region's seaside.
