PRESS RELEASE

FIRST-CLASS DELHI AND AN INTIMATE INDIAN EXPERIENCE

Say goodbye to Delhi-belly and experience fresh Indian cuisine and first-class home-stays in India. Luxurious lodgings, intimate hospitality and the finest local fare promise to blow away memories of backpacking with bog-roll, as you enjoy fresh flowers, aromatic coffee, good wine, open fires, quality linen and breathtaking country views.

From the Himalayas to the deserted beaches, experience the jewels of this mysterious and fascinating country, whilst laden with treats and tips from the locals that take you under their wings and into their homes. Nestled off the beaten track between Tamil Nadu and Madhya Pradesh, properties that range from forts to plantation houses make unique bases from which to discover the real India and genuine hospitality. A world apart from run-of-the-mill hotels or the trials of camping under tarpaulin, Unique Home Stays offer an authentic alternative that keeps you close to the local lifestyle.

Whether you fancy an Art Deco home built by a Maharaja, a luxury prince's palace, a plantation house in the hills or a fisherman's cottage by the beach, each home has that something special for a memorable travel experience.

See our website for more information on the cluster of unique properties in India. We can offer images/information and working alongside a handful of professional travel journalists we can offer bespoke editorial write-ups as required.
