## PRESS RELEASE *April 2005*

### EXCLUSIVELY FOR TWO

*When you're up to your ears in wedding plans, a romantic honeymoon might feel a world away. But choose to honeymoon, or spend your wedding night, in one of our **Unique Home Stays** retreats made exclusively for two, and you'll be keen to get the nuptials over with so you can retreat to a romantic escape with just your lover.*

Hideaway in a private tree house in Kerala, squirrel away on your own island off the coast of Cornwall and stay in the exclusive 'House in the Sea', or escape to an amazing lighthouse suite on the Welsh coast.

Once the wedding is over you'll be aching to slope off and make the most of being a newlywed couple. Which is why we've selected a handful of special places to stay that are made for just the two of you.

Sweep your loved one off their feet on a wild beach or countryside walk, light up your love life over a fine candlelit supper, snuggle by the crackling fireside and retire to a king-sized or four-poster bed. Your ultimate romantic escape comes with all the trimmings – baths made-for-two, luxurious furnishings, stunning views and a little piece of paradise all to yourselves. You can even call upon the services of a very discreet private chef when you want a delicious breakfast served with bubbly, or dinner prepared from sumptuous local produce.

We've got a few overseas gems for you, but why travel all that way when all you want to do is be together? Jump on the greener travel bandwagon and ditch the long-haul flights for somewhere closer to home. Or spend a couple of days winding down with your lover before you take off to far flung destinations. UHS will take you to some amazing places that you never even knew existed:
