

PRESS RELEASE

SHOW YOUR CLIENTS AND COLLEAGUES YOU REALLY MEAN BUSINESS WITH UNIQUE CORPORATE TREATMENT

Is your company planning an important meeting or team-building event? Step away from the ringing phones and the pressure of the office environment and take your business to a unique corporate retreat. Forget the frills of corporate training and get back to the boardroom and the golf course – it's always been a good way of doing business so why swap it for adrenalin thrills, fancy consultants and team building in the wild? The perfect place to impress clients from all over the country or overseas, Landewednack House is squirreled away from it all on Cornwall's Lizard Peninsula. And with daily flights to Newquay airport, the UK's most southerly tip is only a couple of hours from the hustle and bustle of the city.

And there is nowhere more idyllic as a backdrop to do business. At Landewednack House your boardroom overlooks sub-tropical gardens bordered by the Atlantic ocean, and your meeting will be complimented with a feast prepared using the very best ingredients: fresh seafood caught by local fishermen, locally reared and continental organic meats, organic vegetables from the region and the likes of foie gras sourced from the very best suppliers in France. And with a wine cellar that is possibly one of the best stocked in the West Country, you can guarantee to be served the perfect quality vintage to suit the occasion.

Leave the paperwork on the table, and consolidate your business deals the traditional way – on the golf course. The nearby Mullion golf course is one of the most renowned courses in the country, boasting staggering views from its world-class 18 holes. If you want to make the most of the location, the cuisine and the fine wine, extend the trip and stay overnight – Landewednack offers private house accommodation for up to 15 guests. Wake up at your leisure and enjoy a smorgasbord of fresh local fare for breakfast, then get back to the boardroom if you have to, or perhaps explore the coastline under sail aboard a 40-foot wooden ketch.

At Landewednack House we promise to lay on a unique corporate jolly with all the trimmings. For more information see www.landewednackhouse.com and <http://landewednack.uniquehomestays.com>
