Spring is the perfect time to abandon the doldrums of city living and flee to your dream home in the country or by the sea. Whether you just want to hideaway in your idyllic property, or start up a private guesthouse with a real 'wow' factor, we'll help you find the most unique, secluded and luxurious properties on the market.

Whether your dream home is a refurbished rectory, a converted cliff-top barn, a remote coastal cottage or a fairytale mansion, we have details of several extraordinary properties for sale. Properties include manor houses, villas with sea views, rectories, priories, barn conversions, country estates, Georgian houses, watermills, lighthouses, warehouses and much more.

How do you fancy living out a 'fantasy in Avalon'? Currently on our listings is Hunters Moon – an enchanting retreat near Glastonbury, bound in alternative energies and creative interior design. Take a once in a lifetime opportunity to buy this unique property steeped in legend and historical beauty, and here you can live within your own artistic fantasy, or offer tranquillity and alternative treatments in exclusive accommodation.

With its origins as a Somerset cottage, Hunters Moon has been extended to provide extraordinary accommodation oozing with a mystical fairytale atmosphere. This magnificent, detached property is nestled in a secluded location, just ten minutes from Glastonbury in the hamlet of West Bradley. Its south facing, elevated position commands views over an area of outstanding natural beauty through Bradley Brook, wooded valleys and the edge of Pennard Hill. The property stands right on a powerful Ley Line in the constellation of Sagittarius in the Glastonbury Zodiac. Historically, Pennard Hill is understood to be the place where King Arthur's army kept its horses, and the area below the property is known locally as Witches Dip.

The organic feel of the property evokes an otherworldly character that attracts so many people to this part of the country. Relaxing and fantastical energies ooze from the likes of a sculptured water feature set with decorative rose quartz and amethyst crystals, an outdoor hot tub (best enjoyed under a winter's full moon) and a Balinese spirit house which has been altered to become a dovecot.

Inside is a stunning example of artistic fantasy that includes a custom made kitchen, full-length windows exposing the surrounding countryside, a magnificent circular stained glass window and a balcony with a decorative wrought iron balustrade. One of the highlights is an exotic split-level suite boasting a carved mahogany tree that is integral to the structure of the building.

The property has recently been extensively renovated and is presented in immaculate decorative condition both inside and out.

Price Guide: £675,000
