Starry nights

Kerry is one of the world's best places for stargazing. On the right night you can spot the Milky Way, thanks to the clear skies and lack of light pollution. Keep the cold out by peering skywards from your own hot tub in the grounds of the stylish Sienna "cottage" in Kenmare, or gather around the fire pit for a chat. Even if it lashes, the view out over the bay and the Caha mountains is stunning. Sienna sleeps up to four guests and costs from €1,095 for four nights, or €1,375 for a week. sienna.uniquehomestays.com
