## UNIQUE HOMESTAYS

Best for: sharp interiors

Seriously splashy homes are available to rent on Unique Homestays, founded by Cornish chef Sarah Stanley in 2001 when she returned to England having spent 12 years travelling the world. Properties are beautifully curated – a [cabin in Rye](#) has a claw-foot bath, a hot tub and a dreamy four-poster draped with chiffon, while the deck of a [clifftop hideout in Cornwall](#) looks right out across the ocean.
