Sparkle and shine in style with these top Christmas living room decor ideas from interior experts...

Christmas living room decor ideas are the perfect way to indulge your festive side.

While traditional reds and greens are always timeless and elegant, don't be afraid to move away from a classic look. Christmas schemes are very personal, and greys and neutrals can work just as well as rich colors, providing the perfect canvas for bold decorations and accessories.

And, if you want to go bold and add a splash of color to your Christmas decor scheme and [living room ideas](#), you've certainly got the green light from interior experts.

Lucy St George, co-founder of [Rockett St George](#), says: 'As a season of festivities, fun and celebration, Christmas provides the perfect opportunity to go all-out with beautiful decorations that extend far beyond the tree. From a decadent fireplace display with festive foliage, to fairy lights and candles strewn around the room, Christmas is a time to unleash your inner maximalist.'
