

# COUNTRY & TOWN HOUSE

WHERE TO STAY IN ST IVES,  
CORNWALL

## Alba Beach House

Looking for something all to yourself? Rustic and authentic, Alba Beach House is as true to its Cornish fisherman's cottage roots today as it was in the mid 1800s – the floorboards have seen nearly 200 years of history while many of the window boards have been fashioned from the timber of long-lost ships. Awash with weathered, nautical regalia and dotted with soft leather chairs which tempt long reclinations looking out to sea, this luxury self-catering home soothes and settles. With a lovely balcony overlooking Porthmeor beach, and Tate St Ives just a short wander down the road, there's plenty to do here – whether that's loaf or explore.

**BOOK:** Sleeps up to 8; from £2,750 per week, or £2,095 per short break.
