

The coolest hen party houses in the UK

From a whitewashed contemporary house on the Cornish coast with giant hammocks and a hot tub to a Scandi-chic lodge in the Scottish Highlands

The Lost Music Hall, Devon

If you thought houses with pools didn't come cheap then think again: this intriguing Italianate property hidden in the Devon hills has a sizable (heated) outdoor pool in summer and if you're lucky enough to get crisp blue skies and sunshine, drinks on the terracotta terrace could easily be imagined in a rustic part of Italy – Puglia perhaps. Riverford Field Kitchen, an award-winning organic restaurant, is close by. Bookings for supper need to be made far in advance and its cooking classes make for a fun afternoon.
