

BARBIECORE: HOLIDAY LIKE A BARBIE GIRL IN THESE HOT PINK HOTELS

Barbiecore: it's everywhere right now – and, to be honest, we're not complaining. It's all thanks to Greta Gerwig's hotly anticipated Barbie movie, a star-studded upcoming movie featuring Hollywood dreamboats Margot Robbie and Ryan Gosling, Sex Education's Emma Mackey and Ncuti Gatwa, alongside the likes of Simu Liu, America Ferrera, Michael Cera, Emerald Fennel and Kate McKinnon. If you're hesitant to channel Barbie into your clothes or even your interiors, why not venture to a hotel where the work has been done for you? According to Hotels.com, searches for pink hotels have increased 190 per cent in the wake of this zeitgeisty trend. These hot pink hotels channel Barbiecore to the max.
