### EXCITING NEWS...

Whether you own a holiday home, or you just love staying in them, you'll be thrilled to know that Unique Homestays is launching its own, in-house interior design team for 2023. Headed up by lead designer, Alex Hoda, they'll help clients to visualise, plan and bring to life unique interiors. 'We believe a holiday home should be treated like an individual, with its own personal style and identity,' he says. Find out more at [uniquehomestays.com](https://uniquehomestays.com)
