

## How to turn 13 days of annual leave into 38 days of holiday (and where to go)

Judiciously combine weekends and bank holidays with your yearly allowance to maximise your travels in 2023

Savvy travellers know the value of judiciously using the bank holidays to their advantage to spend as much time as possible relaxing under a palm tree drinking cocktails out of coconuts. This year offers even more chances to maximise your annual leave, with [an extra bank holiday to mark the King's coronation on May 8](#).

Here we explain how you can turn 13 days of annual leave into 38 days of holidays, and offer suggestions for where to go. Act fast before your colleagues beat you to it...

For a British break full of bluebell walks, [Unique Homestays](#) never fails to deliver. Its luxurious self-catering properties tick all the style boxes and are found in some of the UK's most bewitching corners.
