2. Castle Trinity, West Yorkshire

Star-studded castle for your crew

For grand old country piles swathed in greenery, look north. This West Yorkshire castle, set in 12 acres near Holywell Green in Calderdale, has the proud towers and battlements of your house party dreams. Owned by two luminaries of the entertainment world (including a nightclub owner), it's hosted some decadent do's over the years. Fabulously atmospheric rooms have exposed stone walls, grand pianos and even suits of armour, and at your disposal are a hot tub, lake, indoor swimming pool, yoga room and fire-warmed terrace. Dogs can come along for an extra fee. Check out the monochrome "wall of fame" for the biggest names who've partied in its halls.
